ABOUT

3D artist and architect (MSc) creating photorealistic interior and exterior visualizations that help design studios, developers and private clients sell their projects.

As co-founder of an interior design studio I run the full pipeline – client brief, modeling, texturing, lighting, rendering and post-production – with a strong eye for composition, light and material. Specialized in residential interiors in modern classic and contemporary styles.

10

years in 3D visualization

80+

interior design projects

~2,000

photorealistic renders

Tools 3ds Max · Corona · V-Ray · Forest Pack · RailClone · tyFlow · Gaea · Photoshop · DaVinci Resolve · AutoCAD · Revit

AI Midjourney · ComfyUI · Magnific · Nano Banana · Veo · Kling · Seedance

CONTENTS

- 10 Resort in Bávaro
- 11 Pine Cabins
- 12 Stone House
- 13 Corten House

CGI

- 14 Forest Run
- 15 Red Horizon

01

House in Wrocław

WROCŁAW, POLAND · INTERIOR VISUALIZATION

A double-height living room built around a floating glass chandelier, book-matched marble and herringbone oak. Soft daylight through full-height sheers balances the warm accent lighting.

House in Wrocław

LIVING ROOM · TV & FIREPLACE WALL

Kitchen

WROCŁAW, POLAND · INTERIOR VISUALIZATION

Walnut tall units, fluted island and Calacatta-look stone – materials tuned for a calm, high-end look.

Master Suite

WROCŁAW, POLAND · INTERIOR VISUALIZATION

A hotel-inspired suite: upholstered and brass wall panelling, mirrored ceiling and a glass partition opening the bedroom to a statement bathroom.

House in Wrocław

BATHROOM · DARK MARBLE, BRUSHED BRASS

02

Apartment in Gdańsk

GDAŃSK, POLAND · INTERIOR VISUALIZATION

Walnut, travertine and soft bouclé in a quiet, neutral palette. Diffused daylight and concealed linear lighting keep every space calm and tactile.

Apartment in Gdańsk
LIVING ROOM · WALK-IN WARDROBE

Bedroom & Bath

GDAŃSK, POLAND · INTERIOR VISUALIZATION

Glass-framed bedroom and a marble washbasin niche, rendered with soft, layered evening light.

03

Apartment in Kraków

KRAKÓW, POLAND · INTERIOR VISUALIZATION

Terracotta velvet, sage upholstery and terrazzo add colour to a warm wood-and-beige base.

Apartment in Kraków
DINING CORNER · GUEST BATHROOM

04

House in Inowrocław

INOWROCŁAW, POLAND · INTERIOR VISUALIZATION

Vaulted ceiling with exposed oak beams, herringbone floor and a sage kitchen block – a modern take on a country house.

05 · Bathroom in Bydgoszcz

BYDGOSZCZ, POLAND · INTERIOR VISUALIZATION

06 · Apartment in Słupsk
SŁUPSK, POLAND · LIVING & DINING

07 · Loft in Warsaw
WARSAW, POLAND · LIVING ROOM

08 · Green Petrol Office
PIECHCIN, POLAND · OFFICE INTERIOR

09 · Mixed-use Tower
EXTERIOR & LOBBY VISUALIZATION

10

Resort in Bávaro

BÁVARO, DOMINICAN REPUBLIC · HOSPITALITY

A white, glass-wrapped resort around a lagoon pool – shown in bright daylight and at blue hour.

Resort in Bávaro
POOL CABANA · BLUE HOUR

11 · Pine Cabins

USTRONIE MORSKIE, POLAND · EXTERIOR VISUALIZATION

12 · Stone House
EXTERIOR VISUALIZATION

13 · Corten House
EXTERIOR VISUALIZATION

14

Forest Run

CGI · AUTOMOTIVE

A sports car placed in a pine-forest scene – vehicle look-dev, lighting and environment built in the same archviz pipeline.

Forest Run

AERIAL AND HERO SHOTS

15

Red Horizon

CGI · PERSONAL WORK

Self-initiated scene exploring atmosphere, scale and storytelling beyond architecture.
